

## GARAGE SALE REGISTRATION & SIGN REGULATIONS

### Registration:

The City of San Ramon encourages residents to host garage sales as a great way to recycle your unwanted household items and make money while doing it. To assist residents in preparing for their garage sales the City Council adopted new regulations for advertising and conducting garage sales. The new regulations require a no-fee registration.

Registration is simple and easy. You need to complete the Garage Sale Registration Form and submit it to the Planning Services Division by Thursday 4:00 p.m. prior to your scheduled garage. If you would like, the City will advertise your garage sale on our website. The completed Registration Form can be submitted either by mail, e-mail, phone, fax or in person at the Planning Services Division.
