

**Questions for As-Needed Earthwork, Maintenance,
General Contracting, and Emergency Response Services**

Posted December 19, 2023

1. Provide clarification on the “Base Price” required on the “Proposal” (page 20) and the “Unit Pricing/%” on the “Price Schedule” (page 23). How do we assume the “Base Price” using the unit costs from the “Price Schedule”? How do we incorporate the percentage for items 8-10 into our pricing?
 - For the “Base Price” on page 20, please just put “See Price Schedule”.
 - Ignore the text regarding “Extended Total Amount” and fill in the unit costs and percentages.
2. Page 3 of the RFQ says this will be a 3-year contract with options for two additional years. Will the awardee be getting a billing rate adjustment each year or do we have to price the increases for the full three-year (or five-year) term into our initial rates in this bid?
 - No billing rate adjustment during the three-year term. Please include in the initial rates in the bid.
3. Please confirm that no addenda have been issued,
 - No addenda have been issued.
